

EVOLV EXPRESS

METAL DETECTORS AND X-RAY MACHINES

OPENGATE

SECURITY EQUIPMENT RENTALS

We offer nationwide rentals of high-throughput security screening solutions, including the **Evolv Express** and **CEIA OPENGATE** systems. For events requiring more traditional options, we also supply **walk-through metal detectors and baggage X-ray machines** to ensure complete security coverage.

FULL-SERVICE SUPPORT

Our technicians provide full service, including delivery, on-site orientation, and teardown after your event. Contact us today to determine which security solution is the best fit for your venue or event.
